

Working Together

South Warwickshire Local Plan

**SCOPING AND CALL FOR SITES PUBLIC CONSULTATION:
10 MAY TO 21 JUNE 2021**

Stratford-on-Avon and Warwick District Councils are working together to produce a new Local Plan to cover our combined geographic area of South Warwickshire.

The Local Plan may affect where you live. It will set out the planning policies that the Councils will use to assess applications for development. The consultation asks about what issues the new Local Plan should cover, and how we should tackle these issues. Options for accommodating growth are also being consulted on, as well as how we should meet our future development needs including housing, jobs, infrastructure and open space.

Find out more - read the consultation document online at www.southwarwickshire.org.uk/swlp or view a paper copy at the District Councils Offices and public libraries (subject to COVID restrictions - please check before visiting).

How do I have my say? - respond to the consultation questions online at www.southwarwickshire.org.uk/swlp or download a comments/ call for sites form from the website and post or email it to us.
