## PUBLIC APOLOGY

Stratford-on-Avon District Council, advise that on 20 February 2023 comments received from a member of the public were posted by the Council on the planning portal.

Within these comments was an assertion that the owners of the Gate Inn, Brailes were the subjects of a Harassment Order.

This assertion is untrue. For its part the Council wishes to make a full and unreserved apology to the owners of the Gate Inn for any damage and upset that this has caused them.
